GREEN TOP GROCERY IS
YOUR
LOCAL GROCERY STORE!

Green Top Grocery is a full-service food co-op near downtown Bloomington... but we're *so much more* than just a store!

Local and democratic

We are the only full-line grocery store in town that is truly locally-owned. And because our customers own us, more of your food dollars stay right here in Bloomington/Normal.

Community Focused

- We support assessable healthy food through equity grants, low cost Coop Basics products and a SNAP Match program.
- We are a community hub for food education and cultural events.
- We support local non-profits with our Round Up for Good Program, local donations, and multiple partnerships with local businesses and organizations.

Return on your investment

Owners who take advantage of our discounts and sales average a 36% annual return on their investment. They save enough in less than 4 years to cover the entire cost of ownership!

Be part of something that is improving your community every day — become an owner!

We're located at 921 E. Washington St. between Washington Elementary and Beer Nuts.
